

ZONE GOLF ACADEMY provides private and semi-private coaching programs in a logical copyrighted system which has been tried and proven over the past 40 years. Zone instructors are certificated and trained.

The Standardized Golf Test is used to identify key skill sets that are important in golf. It provides coaches, parents, and players a standard to compare with player's worldwide. Key skill sets that the S.G.T. focuses on include the short game, long game, mental game, fitness, rules and etiquette. This allows the player to progress at their own rate and create benchmarks along the way. Players will become proficient in the rules of golf, learn the terminology and definitions.

The Standardized Golf Test is proven to help players focus on their game by establishing a quantitative practice plan along with long-term goals and short-term commitments.

The Standardized Golf Test creates a roadmap for a player who wants to become a competitive golfer whether it is amongst friends or in the professional field. S.G.T. has 18 levels. Canadian Copyright #1146076 Canadian Copyright #1146077 US Copyright TX-8-579-273
